Meet One of the New Life Families

Mary Cumber & son, Jacob (not pictured: daughter, Summer)

What brought you to New Life? I was looking for a church in the area. My son happened to be attending Glenbrook Elementary and I signed him up the Kidz Club. I looked the church up online to find out more about it. I decided to attend a worship service. I have

been coming ever since.

What is one aspect of New Life that is especially meaningful to you? I enjoy the closeness of the people who attend New Life. I also enjoy Pastor Bob's sermons and his great sense of humor!

Pastor's Heart

The kids are starting to really get cranked up for summer and the end of the school year. Finishing well and completing what has begun are underlying biblical principles that can be applied in so many areas of our lives. In our youth group, we initiated a focused effort on seeing those around us come to

an understanding and deeper realization that God has incredible plans for their lives. We've called this focused effort "40 Days to Freedom" as we count down towards the last day of school and freedom for those living day to day trapped in a cloud of discouragement, hopelessness or with a

What is one aspect of New Life that is especially meaningful to you? I personally have been involved and enjoy attending small group studies. I have helped with the Pulaski Outreach Center, which is a very gratifying experience. My son goes to the Teen Hope Center on Wednesday nights and loves it!

What do you and your family like to do that keeps you close as a family? Spend time together. Winter months we spend our time just hanging out around the house, watching movies, playing board games or Wii games. The summer months we do many family vacations together.

How do you cope with life

and the day-to-day challenges? I turn to Scripture as my source of strength and hope during times of stress and unforeseen challenges. Through my own personal trials, I've learned I will be OK no matter what life throws at me! God is Good!

Where is your favorite place to go? Wisconsin Dells. We have been going every June since my son was less than a year old and he's now 12! It's one of our favorite places to go each year.

Tell us about your favorite family memory. Christmas Eve at Grandmas! I come from a large family so it's really great when we can all get together.

Teen Hope Center Grand Opening

On Sunday, April 18th, we opened the doors of the Teen Hope Center for the area residents to come and see what we have to offer. Over 200 people attended the event to see the layout of the building as well as the interior décor for the teen center. The Teen Hope Center is a place where teens can connect, listen to music, play games, shoot pool, do homework or just hang out. The Teen Hope Center is available for groups to hold a get together and special occasions as well. Movie nights, music and special events are planned each Friday for the teens in the area to enjoy. Visit the teen center's calendar of events at www.teenhopecenter.org for updates on what is happening.

Kidz Club

On Wednesday, April 14, the parents and family members were invited to the last session of Kidz Club, an after school program. Over the last 14 weeks, the kids at Kidz Club have been going through the basics of the Christian faith. The kids had a blast week after week as they enjoyed games, skits and snacks and learned the truth through the Faith Case curriculum.

Through a slide show presentation, everyone enjoyed watching what the kids had done week by week. Then the kids were awarded their completion certificates and after cake and punch was served.

Kidz Club is coming again soon, just watch the newsletter for details.

Community Servants

Instead of meeting for their regular Wednesday night youth service, the teens from the youth group rolled up their sleeves and served the community. Many seniors citizens needed help getting their yards ready for spring so groups of teens showed up to rake and help them with other projects.

Many bags of clothing are donated each month to the Pulaski Outreach Center and the teens helped to sort, size and display the clothing items. May God be glorified through their service.

Birthdays

Julie Kirpitis	May 3
Rob Piper	May 3
Brad Armstrong	May 5
Sandy Harvey	May 5
Sharon Thompson	May 6
Amber Piper	May 7
Michele Richmond	May 16
Randy Narges	May 17
Nate Wied	May 22
George Lambert	May 24
Jackie Ronk	May 26
